

## Facials & Peels

*HydraFacial* MD<sup>®</sup>  
My Life. My Time. My Skin.™

HydraFacial MD<sup>®</sup> Exfoliating Facial:  
One session \$150

HydraFacial MD<sup>®</sup> is an invigorating treatment that can be given in as little as 30 minutes. It delivers long-term skin benefits and can be tailored to meet the specific needs of all skin types. It offers instant, noticeable results with no downtime or irritation. The HydraFacial MD<sup>®</sup> treatment removes dead skin cells and extracts impurities while simultaneously bathing the new skin with cleansing, hydrating and moisturizing serums. The treatment is soothing, refreshing, non-irritating and immediately effective.

## Laser Services

### Ultherapy®

Treatment cost varies by lift location

Ultherapy is the only non-invasive procedure FDA-cleared to lift skin on the neck, under the chin and on the eyebrow. Ultherapy uses safe, time-tested ultrasound energy to lift and tighten the skin naturally—without surgery or downtime. Ultherapy can help you achieve a fresher, more youthful look from your brow to your chest!

### MORPHEUS8

Treatment cost: \$900 per area

MORPHEUS8 is a fractional skin treatment that stimulates collagen production of the underlying layers of the dermis. By targeting the deeper layers of the skin, the building blocks will reorganize themselves in a natural anti-aging process. Morpheus8 can be used on any areas that can benefit from sub-dermal renewal. The most commonly treated areas include the lower face and neck. Areas of the face and body that exhibit wrinkles, discoloration or acne scarring are suitable for treatment.

### LUMECCA

Treatment cost: varies per treatment area

Lumecca is the most powerful intense pulsed light (IPL) to treat pigmented and vascular lesions. After just one use, patients notice significant improvements in the complexion and clarity of the skin. Lumecca operates using photothermolysis, which provides a photofacial through the delivery of a comfortable light treatment. In just 1-3 sessions, Lumecca improves the appearance of:

- Age spots (red/brown pigmentations)
- Vascular lesions such as facial telangiectasias (spider veins) and poikiloderma
- Rosacea (redness)
- Freckles
- Sun damage

## Injectables

Botox® Cosmetic \$11/unit

Dysport \$4/unit

A few tiny injections - a simple 10 minute procedure used to soften and reduce wrinkles in the frown lines between the brows, crow's feet and forehead areas.

Juvéderm Ultra XC, Ultra Plus XC & Versa Dermal Fillers

1 syringe \$600, 2 syringes \$1050

A 30 minute, non-surgical, in-office procedure designed to give a natural, refreshed look that smooths away deep lines and wrinkles.

Juvéderm Voluma® XC

1 syringe \$800, 2 syringes \$1450

Used to instantly add volume to the cheek and cheek bone area to help provide a more youthful looking profile.

Restylane® Refyne & Restylane® Defyne

1 syringe \$700, 2 syringes \$1250

Used to diminish lines around the mouth and provide volume and definition in the lips.

Sculptra®

1 syringe \$650, 2 syringes \$1200

Sculptra Aesthetic is an injection of poly-L-lactic acid that helps stimulate collagen production over time, restoring facial volume while improving skin texture. Results can last more than two years.

## Other Services

Dermaplaning \$75

A small tool manually exfoliates dead skin cells and villous hair, improving skin tone and texture, leaving you visibly smoother.

SkinPen® Microneedling

Full Face Treatment \$299

SkinPen® is a transient, non-surgical, cosmetic micro-needling device for the creation of "micro" skin channels to stimulate tissue regeneration and improve the appearance of the skin.

PRP Facial Rejuvenation

\$750, 3-procedure package \$2,000

The "Vampire Facial" is a fast, safe, non-surgical procedure that will give you firmer, tighter skin with minimal downtime. PRP will give you a glowing, rejuvenated, more youthful-looking complexion while reducing fine lines and wrinkles.

NovaThreads

Treatment cost: varies per treatment area

A non-invasive, in-office procedure that produces natural results for loose, sagging skin; particularly in the jawline and neck.
