Laser Services

Ultherapy®

Treatment cost varies by lift location

Ultherapy is the only non-invasive procedure FDA-cleared to lift skin on the neck, under the chin and on the eyebrow. Ultherapy uses safe, time-tested ultrasound energy to lift and tighten the skin naturally—without surgery or downtime. Ultherapy can help you achieve a fresher, more youthful look from your brow to your chest!

MORPHEUS8

Treatment cost: \$900 per area / multiple area discounts

MORPHEUS8 is a fractional skin treatment that stimulates collagen production of the underlying layers of the dermis. The most commonly treated areas include the lower face and neck. Areas of the face and body that exhibit wrinkles, discoloration or acne scarring are suitable for treatment.

LUMECCA

Treatment cost: varies per treatment area

Lumecca is the most powerful intense pulsed light (IPL) to treat pigmented and vascular lesions. In just 1-3 sessions, Lumecca improves the appearance of:

- Age spots (red/brown pigmentations)
- Vascular lesions such as facial telangiectasias (spider veins) and poikiloderma
- Rosacea (redness)
- Freckles

aerolase®

Treatment cost: varies per treatment area

Aerolase is a treatment option that allows for comprehensive rejuvenation of skin tone and texture. It is a highly effective way to treat acne without the side effects commonly associated with traditional therapies. This laser is best used for:

- Acne
- Spider Veins
- Rosacea (redness)

Injectables

Other Services

Dermaplaning \$75

A small tool manually exfoliates dead skin cells and villous hair, improving skin tone and texture, leaving you visibly smoother.

SkinPen® Microneedling

Full Face Treatment \$299

Add-on: Sculptra (topical) \$150

SkinPen® is a transient, non-surgical, cosmetic micro-needling device for the creation of "micro" skin channels to stimulate tissue regeneration and improve the appearance of the skin.

PRP Facial Rejuvenation

\$750, 3-procedure package \$2,000

The "Vampire Facial" is a fast, safe, non-surgical procedure that will give you firmer, tighter skin with minimal downtime. PRP will give you a glowing, rejuvenated, more youthful-looking complexion while reducing fine lines and wrinkles.
